

LOS MEDANOS COLLEGE

To Whom It May Concern:

If the writing of a letter of recommendation has ever been a great pleasure to me, then it has been on this occasion. I wholeheartedly and without any reservation whatsoever highly recommend **Mrs. Karen Anderson** as a Vocal Music Instructor.

I have known Mrs. Anderson for over 20 years as a professional musician, educator and vocal performer. As an educator, she continues to enhance her individual instructional abilities by energetically continuing professional development through attending music seminars and conferences. I have observed Karen teaching at Los Medanos College. I observed her students impressively involved in a very positive and encouraging learning environment. Her vocal and pedagogical instruction, which is presented in a creative and organized manner, demonstrated her student's **motivational interest** in seeking more knowledge. In my opinion, this is an **extremely rare instructional quality** to find in a vocal educator. It was apparent to me, that Mrs. Karen Anderson's ingratiating teaching styles effectively self-motivates her students.

If given the opportunity for employment, I am certain that Mrs. Anderson will energetically demonstrate professionalism in the fullest sense of the word. She maintains instructional commitment and displays the strength and **ethical character** that is certainly a **desired** quality of an educator. It is for all of these outstanding wonderful personal and professional traits, that I am convinced that Mrs. Karen Anderson is an outstanding Vocalist and Vocal Instructor. Please feel to contact me if you have question regarding this recommendation.

Sincerely,
